Commissioner's Medical Grand Rounds

Heads Up, New York

Wednesday, November 15th, 2017, 8:00 – 10:00 am
Albany Medical Center – Huyck Auditorium
47 New Scotland Ave, Albany, NY 12208

This presentation will inform clinicians about mild traumatic brain injury in children and young adults and discuss the new Berlin Guidelines, the latest diagnosis and treatment evidence-based practices. Presenters will discuss accurate diagnosis, incidence, treatment, referral and educational resources, and ways to help manage patients' return to learning, school and sports. Understanding the physicians' role in concussion management under the NYS Concussion Management Act will also be highlighted.

The Grand Rounds Program is free of charge for all providers in NYS. Advance registration is requested.

Please click [HERE](#) to register to attend in-person or via the live webinar.

Registration ID is not required. Select "Not registered yet? Click here to register."

A recording of this session will be available for viewing and CME credit on the NYSDOH website.
