

**MILESTONES IN CHILDHOOD
BRAIN INJURY...**

A MAP TO RECOVERY

PROFESSIONAL SYMPOSIUM
Saratoga Springs, N.Y. | Holiday Inn
June 12, 2018 | bianys.org

The BIANYS Professional Symposium will return to beautiful Saratoga Springs, New York. This year, the Professional Symposium will feature a new format and theme focusing on milestones in childhood brain injury.

Professionals and specialists in the fields of brain injury medicine and rehabilitation are invited to learn about advances in treatment, network with other professionals and gain access to cutting-edge research and information. The new format will also provide an opportunity for parents, educators, social workers, athletic trainers and other professionals working with youth to gain knowledge about childhood brain injury and how to navigate healthcare systems during different stages in the individual recovery process.

SCHEDULE AT-A-GLANCE

For your convenience, each module is 1.5 hours with a designated break in between.
Lunch is included for in-person attendees and will be served at 12:00 PM.
