

2024 Corporate Partner Program

About the Brain Injury Association of New York State

The Brain Injury Association of New York State (BIANYS) is a statewide, non-profit membership organization that advocates on behalf of individuals with brain injuries and their families. Established in 1982, BIANYS provides education, advocacy, and community support services that lead to improved outcomes for children and adults with brain injuries and their families. The Association also offers a toll-free family helpline, chapters and support groups throughout the state, prevention programs, professional development programs, and a video and publications library. BIANYS plays a central role in the development of public policy on the federal, state and local level.

About the 2024 Corporate Partner Program

BIANYS' Corporate Partner Program increases visibility and provides unique brand awareness opportunities for partner organizations and businesses. Through the Program, you are given exclusive benefits and recognition commensurate with your annual level of participation. All contributions from Corporate Partners are used to enhance existing programs and projects benefitting thousands of people effected by brain injury throughout New York State.

All 2024 Corporate Partner Packages Include:

- All benefits of BIANYS membership, including the ability to vote for District Representatives on the BIANYS Board of Directors and member discounts for events, professional development courses and other activities
- Subscription to the Journal of Head Trauma Rehabilitation
- Subscription to the BIANYS quarterly newsletter, *Brain Power*
- Communications and updates from the Brain Injury Association of America
- Discounts and special offers for BIANYS' Annual Conference and Professional Symposium

2024 Events

Professional Development Webinar Series

Quarterly - online

In 2017, BIANYS launched the Professional Development Webinar Series that has trained professionals working with people and families impacted by brain injuries across New York State. BIANYS is recognized by the New York State Education Department's Office of the Professions as a provider for continuing competencies in the following areas: Social Work, Physical Therapy/ PT Assistants, Speech-Language Pathologists & Audiologists, Continuing Teacher and Leader Education (CTLE) and Occupational Therapy/ OT assistants. We also provide CBIS continuing education credit and Certificates of Attendance.

Brain Injury Symposium

March 2024, New York, NY

In partnership with Rusk Rehabilitation at NYU Langone Health, the Brain Injury Association of New York State is excited to present the 2024 Brain Injury Symposium. The Brain Injury Symposium brings in professionals for a day of education with sessions focused on current research, technologies and advancements for treating and detecting brain injury.

Annual Conference and Medical Symposium

June 2024, Saratoga Springs, NY

The Annual Conference attract survivors, family members and caregivers to participate in workshops, keynote presentations and virtual exhibit halls. Interactive and educational, this event can't be beat.

March On for Brain Injury Walk

September 2024, Locations across New York State

March On for Brain Injury Walk brings people together at three locations around the state for a Family Fun Walk to raise money and awareness for brain injury. As we honor exemplary members of the community, our most popular event brings hundreds together for a day of activity, celebration and hope.

Journey of Hope Gala

November 2024, New York City

Our gala is an elegant evening of celebration and recognition of those who have made significant advances in the field of brain injury. Cocktails, music and awards make this a night to remember.
