

Training Announcement
November 21, 2024 9:00 am – 4:00 pm
Virtual Format

Presented by Karen Thomas, Certified Brain Injury Specialist Trainer

This course is offered by the Brain Injury Association of New York State and is specifically designed to help you review material for the certification examination and to strengthen the network of dedicated, competent brain injury specialists across New York State. Starting six weeks prior to the live review, participants will have access to weekly webinars, receive study tips and detailed home study information that corresponds with the chapters in the Essential Brain Injury Study Guide.

Deadline for Application and Payment is September 27, 2024

COST: \$275 for the one-day class, 6-week webinar/email study course, and one on one support from a Certified Brain Injury Specialist Trainer.

To register for a BIANYS CBIS review class, all forms and payment go to BIANYS, not ACBIS.

To apply:

- Request an application from Karen Thomas via email kthomas@bianys.org.
- Mail or e mail your application and payment to BIANYS.
- Checks should be made out to the Brain Injury Association of New York State. Mail to:

BIANYS
Attn: Karen Thomas
5 Pine West Plaza, Suite 506
Albany, NY 12205

- You can pay by credit card by contacting us at 518-459-7911 or by special link.
- Email kthomas@bianys.org to complete the registration process or with questions.

BIANYS will send you a confirmation email within 5 business days of receipt of your completed registration and payment. Review materials will be shared weekly starting on October 4. The purchase of the textbook and application fee to ACBIS is the responsibility of the individual and not included in the cost of this course.

REQUIREMENTS: Please review requirements at <https://www.biausa.org/professionals/academy-of-certified-brain-injury-specialists/certified-brain-injury-specialist/cbis-information-eligibility> to learn more about the CBIS certification. Applicants must have had 500 hours of currently verifiable direct contact experience with people with brain injury. Experience can be paid employment and/or academic internship. Volunteer work and other personal experience does not qualify. Applicants must have a high school diploma or equivalent.
