About the Brain Injury Association of New York State

The Brain Injury Association of New York State (BIANYS) is a nonprofit, statewide organization dedicated to advocating for individuals with brain injuries and their families. Since its founding in 1982, BIANYS has been committed to improving the lives of children and adults with brain injuries through education, advocacy, and community support services. The association offers a wide range of resources, including a toll-free family helpline, local chapters and support groups, prevention initiatives, professional development programs, and an extensive library of videos and publications. BIANYS also plays a crucial role in shaping public policy at the federal, state, and local levels.

To learn more about the programs and services of BIANYS, please visit [BIANYS.ORG](https://bianys.org) or reach out to us at (518) 459-7911 or info@bianys.org.
