

**The Brain Injury Association of New York State's Philanthropy Award is presented in recognition of outstanding philanthropy, support, and leadership within the brain injury community.**

Philanthropy Award  
*F. Allan Curran*

---

F. Allan Curran is the retired president of Royal Products, a precision manufacturing company based in Hauppauge, New York. A native of Brooklyn with strong roots on Prince Edward Island, Allan began his career apprenticing as a machinist in his family's business, where he gained a deep respect for craftsmanship, hard work, and people.

Over the years, Allan has built not only a successful company but also a lasting legacy, one defined by quiet generosity and compassion, both locally and throughout the world. A steadfast supporter of the Brain Injury Association of New York State, Allan first came to us out of genuine care and has continued to stand behind our mission ever since. His ongoing, behind-the-scenes support and humble commitment to helping others reflect the very essence of philanthropy.

Thoughtful, caring, and community-minded, F. Allan Curran embodies what it means to give back, and to do so with both heart and purpose. The Brain Injury Association of New York State proudly honors F. Allan Curran with the 2025 Philanthropy Award for his continued support and steadfast commitment to improving the lives of those affected by brain injury.
